

Front Porch Records/Productions

Booking and Artist Promotion Community

\$50.00 PER YEAR (MONEY ORDER, CREDIT CARD OR PAYPAL)

Here at Front Porch Records, we believe in the power of music as a witness to our world of the gospel of Jesus Christ. We are here to support you the musician, singer, and songwriter in the pursuit of the calling that God has empowered you with.

There are many different promotion companies that will help the Indie Artist get their music on radio and in front of the listening fan - the goal being to sell the song or CD. Here at Front Porch Productions our mission is to ***put your music in front of the local pastor***, event planner and festival organizer ***to achieve in the end, a concert booked***. We get your contact info and music in front of the people who make the decisions in the local church. They are looking for music to fit their local ministry goals. This is a place where you as an artist can network with us to get more venues to play your music. If you are a local artist trying to get established, if you currently tour or plan to in the future this will be a great asset to your music career/ministry.
