Her latest CD, "Beyond Reason" has a story tucked away inside Jeannettes faith and walk with Christ. The songs are songs from the depths of life experience, turning to the creator and of overcoming on the other side.

In September she participated in a fundraiser concert together along with "keeper's of the Faith", from Tacoma, WA., at the Seventh Day Adventist Church in Aldergrove, BC. The fundraising was for a team of 46 people who went to Puerto Vallarta, Mexico in October.

She has also been able to encourage a number of women in their spiritual journey. "life can bring on many different struggles and disappointments whether it's dealing with family situations, health, marriage, fear or just personal struggles and hurts. I have feel really blessed to have been able to come along side some of them with a listening ear, and to support by praying over them and pointing them to our comforter Jesus Christ who can give them hope." she says

"She has a beautiful clear voice. The harmonies, especially in the choruses, are gorgeous. The instrumentation has intricate musical lines and fun, exciting rhythm. The style is contemporary and has a soft rock sound, making it appealing to a wide age range, from youth and young adults to baby boomers. -Carol Riediger, Central MB Church, Chilliwack, BC

"Jeannette Petkau is a singer songwriter, seasoned performer, and worship leader, her concert ministry is filled with energy, excitement, heart and talent." - Breakthru Productions

Jeannette is a singer and songwriter, from Langley, BC, Canada. Jeannette came from a musical family background. She sang her first solo at age nine, and she still remembers her initial stage fright, but how the fear dissipated as she honed her talent. In her pre-teens she sang in with a young girls group and in her teens she sang in choirs and ensembles. In 1991-94, Jeannette went through a rigorous training process with Genesis Guild, a division of Incubator Creative Group in the USA, in preparation for a professional music ministry, and in 1994 she started "Breakthru Ministries," which has flourished through God's wonderful works in her life. In 1998 Jeannette released her first independent CD called "Break-Thru" and promoted it through concert tours, radio and bookstores. In January 2001, she released another CD called "Beyond Reason", which is definitely the best work she has done to date. In May 2001 "Do Good Music" held a world-wide talent search for Christian music in affiliation with Atlantic Records in Nashville. Out of 25 Christian artists who were voted as finalists, Jeannette was one of the top five Canadian artists selected.
