God has been growing this vision in me for years... revealing more and more of it to me as the days pass. My husband Robert and I have been in fulltime ministry for the last 4 years as "Missionaries to Canada and the World" and have been working to simply live out the vision in what ever simple ways we are able. Today however God brought back to my remembrance the fullness of what He showed me almost exactly 7 years ago... interesting! I believe He has chosen to do so – for such a time as this! Please understand that I will be approaching every national ministry, organization, head office and denomination God impresses upon my heart. Our statement of faith is the Apostles Creed. Our mandate is from **Mark 12:30-31 (NIV) - Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.** The second is this: '**Love your neighbor as yourself.**' There is no commandment greater than these."
