Listen for new single '*Giver of Grace*' from the Kids Worship CD

"There is too much at stake in our world right now to simply sing out our worship on Sunday Morning only to return to our homes, schools, or places of work on Monday forgetting and not living what we sing. God is not only present when we sing on a Sunday morning, He is present in those simple moments of our day ... I have found that when we are obedient to God in those moments of our day we truly show Jesus to this hurting world ... it is worship to God in ways that I had never considered to be worship in the past. " *Jon Bauer*

"Jon Bauer is one of those people who can stand up before a crowd of strangers and make immediate connection. Central's church family loved him today! His genuine devotion to God blends well with his superlative vocal and instrumental abilities. Jon has put together a tight band of people who are committed to their purpose of facilitating worship with excellence." *Bob Jones - Central Pentecostal Tabernacle. Edmonton AB*

Based in Alberta, Jon Bauer has been ministering and teaching on worship full time across North America as a worship artist and speaker at churches, conferences concerts and schools.
